

**Year 6 Homework**  
**W/B 02.12.2024**

We will only print homework for children that ask before Friday lunchtime at the latest, in order to reduce paper use.

**Homework task:** Please see attached task on website.

**Reading:** To read at least 4 times per week - once with an adult.

Children to fill in their reading records and to be signed by parents for teachers to look through on Monday (or during their library time). When filling in reading records, we want to see four entries where children have put the page numbers of the books they have read, as well as a comment on the book on at least one of their entries.

**Mental maths (10 mins):** To practise your times tables on **TT Rockstars**. Make sure you do 5 rounds of Studio, before moving onto anything else.

**SPaG Practise (10 mins):** Please use **Rollama** to practise your spelling, punctuation and grammar. It may be a good idea to focus on games that use your writing target or something that you may have found tricky in class.

**Spellings:** Please learn and practise this spelling list ready to be tested during the week beginning Monday 9<sup>th</sup> December.

You can choose strategies that we use in school and that work for you to learn them, such as 'Look, say, cover, write, check', RESCUE Spellings, flashcards, drawing around the word, pyramid words, etc...

This week you will be revising some more words from the Year 5/6 spelling list:
