

MJS NEWSLETTER

Friday 5th July 2024

Dear Parents and Carers,

I am starting to write this week's newsletter whilst waiting to be taken over for the third time on MJS Take Over Day. Today has been BRILLIANT and the children have loved it. Takeover members of the leadership team have been busy doing lesson visits, feeding back to teachers how they have performed, given a tour to a prospective parent, sorting out problems around school and writing some of this newsletter, to name but a few.

Takeover teachers and teaching assistants have been so brave and creative to plan and deliver lessons to their class, which have included topics such as Spanish, neutrons, kings and queens, Gambia, table-tennis, art and many more. Big thanks to Miss Child for organising this with the JLT, with over £300 being raised for charity.

Huge congratulations to our Year 6 pupils who delivered incredible performances in their end of the year showcase. Each show had the audience full of pride and roaring with laughter and each child should be proud of their part in the show.

Two weeks to go, but lots still going on as Year 6 have their residential and activity week next week, which is why many clubs are cancelled due to staffing.

Have a lovely weekend.

Kind regards

Simon Pike,

Headteacher

Thursday 18th July - Non Uniform day £1.00 Donation.

Launchpad—1.30pm Afternoon Tea Party

Friday 19th July— Last Day of Term—Early Finish 1.15pm collection

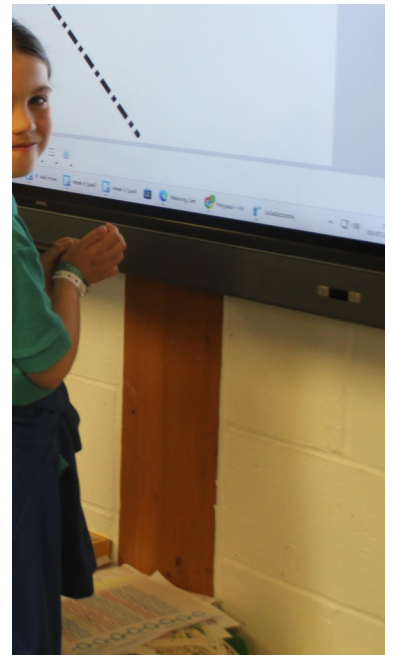

Y3/4 TENNIS

A team of year 3/4 children took part in a tennis skills competition in Eastbourne last week. On a lovely hot day, the children represented the school brilliantly and competed against nine other schools from the south-east after winning the Crawley competition earlier this year. All of the children had a fantastic day and thoroughly enjoyed the opportunity to improve their tennis skills.

Yogabugs is a fun and creative class that develops confidence and self esteem through movement and expression. The children are introduced to traditional yoga poses, breathing techniques, meditation, mantra, mudras and journaling. The classes are planned around the ancient wisdom and knowledge of Ayurveda, according to the season. I have a love for language and take pleasure in writing original and well know stories. The stories engage the children's imagination and creativity, giving them the confidence to express themselves through the movement.

The class is carefully structured to develop coordination, balance, strength, flexibility taking into consideration the individual needs. Through yoga I teach the children how to calm the nervous system as well as offering tools to support emotional regulation.

Some of the overall benefits of yoga are improved concentration, better sleep patterns, greater self-esteem, reducing stress and anxiety, support emotional regulation and improves low mood, as well as a great form of exercise.

Yogabug Classes.

I am very pleased to offer three classes at Maidenbower Junior School on Tuesday and Wednesday. There are limited number of places available and will be allocated on a first come first serve basis. If your child would like to join then please contact me for more information.

Lunch club - Tuesdays 12-1pm After School - Tuesday 3.15-4.15pm

Lunch club - Wednesday 12- 1pm

About Me

I am a Primary school teacher and trained in adult and children's yoga. I have been teaching yoga for twenty years in schools and nurseries in and around the locality. I love yoga, open swimming, sewing, writing, running and travelling. I live with my husband, two daughters a cat, 5 chickens and a tortoise called Winter.
