

MJS NEWSLETTER

Friday 28th June 2024

Dear Parents and Carers,

What a fantastic couple of days of Sports Day we have had. Every child was involved in events, showing a huge amount of resilience and talent. Every member of staff was involved which resulted in brilliant teamwork to help keep to time and to ensure everything ran safely and smoothly. The Year 3 children properly embraced their first Sports Day and it reminding me why these are my favourite days of the year. Judging by your smiles and cheering, I think (and hope) that you enjoyed it too!

If you were not present today, you will have missed the results. Missen held on to their overnight lead to win, followed by Ivory, Hyde and Lowe. Well done to them. Some photos from yesterday are part of this newsletter but there will be lots more to share next week.

On the subject of winning, we were thrilled that two of volunteers, Mike and Roy, were awarded the Community Champions Award at The Hawth this week—they volunteer before school and help look after our school grounds. We are really proud of them.

It's a busy week coming up with the Year 6 show taking place, Transition Day on Wednesday and Takeover Day on Friday. This means next week's newsletter may be from someone other than me!

Have a lovely weekend.

Kind regards

Simon Pike,

Headteacher

CRAWLEY HEROES

We are delighted to share that Mike Hayes and Roy Hillier won the Community Champions Award at the Crawley Community Awards at The Hawth on Tuesday. Mike and Roy have volunteered for a huge number of years and are in all weathers. They are not seen by children or parents as they volunteer from 6-8am, but their contribution to our premises and school grounds is huge and we appreciate all that they do. This is a fitting award for them both.

It was a humbling evening with so many amazing winners, but special mention to the following groups who have links to the school: Limitless Youth Football Club, Sister Share, The Greenaway Foundation and Maidenbower Panthers.

NEW SCHOOL WEBSITE

We are pleased to announce that our new website is now live. Although there will continue to be content added over the next few weeks, we hope that you take the time to have a look and familiarise yourself around it. As well as being much friendlier and easier to navigate, the new website can be read in any language which makes it accessible to all of our families.

An email was sent earlier this afternoon with information to help you navigate and assist with any troubleshooting that you may need.

SCHOOL CLASS PHOTOGRAPHS

Your child's proof card for their class photograph has been sent home with them this week. Please can we draw your attention to the closing date, Tuesday 9th July 2024. All orders are done direct with Yellow online. Delivery of orders will be received at school before the end of term. Thank you.

★ Champions of England & Wales! ★ Many congratulations to our Boys Football Team, for winning this season's 'Premier League Primary Stars' competition.

Yogabugs is a fun and creative class that develops confidence and self esteem through movement and expression. The children are introduced to traditional yoga poses, breathing techniques, meditation, mantra, mudras and journaling. The classes are planned around the ancient wisdom and knowledge of Ayurveda, according to the season. I have a love for language and take pleasure in writing original and well know stories. The stories engage the children's imagination and creativity, giving them the confidence to express themselves through the movement.

The class is carefully structured to develop coordination, balance, strength, flexibility taking into consideration the individual needs. Through yoga I teach the children how to calm the nervous system as well as offering tools to support emotional regulation.

Some of the overall benefits of yoga are improved concentration, better sleep patterns, greater self-esteem, reducing stress and anxiety, support emotional regulation and improves low mood, as well as a great form of exercise.

Yogabug Classes.

I am very pleased to offer three classes at Maidenbower Junior School on Tuesday and Wednesday. There are limited number of places available and will be allocated on a first come first serve basis. If your child would like to join then please contact me for more information.

Lunch club - Tuesdays 12-1pm After School - Tuesday 3.15-4.15pm

Lunch club - Wednesday 12- 1pm

About Me

I am a Primary school teacher and trained in adult and children's yoga. I have been teaching yoga for twenty years in schools and nurseries in and around the locality. I love yoga, open swimming, sewing, writing, running and travelling. I live with my husband, two daughters a cat, 5 chickens and a tortoise called Winter.
